We would love you to join us for a wonderful trip to Israel. If Jesus considered it important enough to walk for several days to take His disciples to Jerusalem, 3 or 4 times a year, how can we, as His Shepherds today, excuse ourselves from such a journey, especially when we can travel to Jerusalem in just a few hours. It is far easier and less costly for us for us to go to Jerusalem, than it was for Jesus in His day and it's also much safer to travel in tour time than it was in His. Journey through the land with us.....
